Screenshots of StatBooks at a basketball game

StatBooks are small, special-purpose netbook computers that make it easy to provide stats to the media on game day. StatBooks can be easily maintained by your facility or event staff and do not require any IT work other than the initial set up on your local wireless network.

StatBook Technical Features

Battery	Available 6 cell battery provides over 4 hours of continuous use.
LCD Screen	Low-glare high-resolution matte screen designed for outdoor use.
Wireless Networking	802.11 b/g WLAN w/ WPA, WPA-PSK, WPA2 and WPA2-PSK authentication and TKIP and AES encryption.

Data Integration

Stats Software	StatCrew versions x.xx to x.xx. Other stat software integration is also available.
Supported Scoring Consoles	Daktronics™ All Sport 5000 series Daktronics ProSport series WhiteWay serial controller series Other controllers w/ serial output (scoring consoles may require StatView Clock Server)

Usability Features

Simple Navigation	StatBooks don't require any work like a computer—they start up and are ready to go. Simple navigation with arrow keys and numbers allow users to navigate to any data they need.
Automatic Software Updates	StatBooks update themselves automatically. No installations or updates are required by facility staff.

About StatView

StatView has over a decade of experience in live stats delivery and is used by some of the largest college programs, bowl games and basketball tournaments every year. StatView counts over 450 NCAA colleges and universities as customers. We know what it's like on game day and our experience and commitment to excellence translates into less stress for our customers.

StatView offers a complete suite of products to help manage game day stats. The suite includes the Stat Management Server for trouble-free stats integration and distribution, StatBooks for on-demand stats delivered to the media and StatTV, delivering live stats in high-definition on TVs in your press box.
